CONSPECTUS

A Review of Notable Cases from July to August 2024

Zurain Bukhari • August 17, 2024

PUBLISHED REPORT

This post in the conspectus provides a detailed overview of significant cases from various courts across India, focusing on what happened in each case and its implications. 1. *Kush Kalra v. UoI And Anr.* (Supreme Court): The Supreme Court dismissed a petition challenging the gender-discriminatory provision in Section 64 of the Code of Criminal Procedure, which allowed only male family members to accept summons. The Court noted that this provision...
