MADHYA PRADESH HIGH COURT

AI-Generated Fake Supreme Court Judgment Triggers Strong Rebuke from Madhya Pradesh High Court

Sheikh Rayees • November 19, 2026

PUBLISHED REPORT

The Madhya Pradesh High Court has taken serious exception to the State government's reliance on a non-existent Supreme Court judgment in its court submissions, observing that the fabricated legal precedent appeared to have been generated using an Artificial Intelligence (AI) tool. Justice Vivek Kumar Singh criticised the State for filing pleadings containing an invented case name alongside an unrelated case citation. The Court described the manner in which the reply...
