Why More Women in Judiciary Means Smarter Justice

Sheikh Rayees • May 23, 2025

PUBLISHED REPORT

The Supreme Court sent a powerful message on May 22, spotlighting a glaring gap in our courts: the scarcity of women judges. It's not just about ticking diversity boxes — it's about enriching the very fabric of judicial decision-making. "The country stands to gain immensely from a judiciary that is not only skilled and dedicated but also diverse," the Court declared. Diversity here isn't a buzzword; it's the key to...
