Calcutta High Court Drops Criminal Proceedings Against Former Mead Johnson MD in Baby Formula Complaint

Sheikh Rayees • July 13, 2026

PUBLISHED REPORT

The Calcutta High Court has brought an end to criminal proceedings initiated against the former Managing Director of Mead Johnson India in connection with allegations that a container of baby formula contained a live insect and black mould-like particles. Setting aside the FIR, charge sheet and all consequential proceedings, the Court ruled that a company's director cannot be prosecuted solely on the basis of his position when the company itself...
