Coal India's E-Auction Practices

CCI Declines Probe Amid Dominance Debate

Sheikh Rayees • January 2, 2025

PUBLISHED REPORT

The Competition Commission of India (CCI) has dismissed allegations against Coal India Limited (CIL) concerning the company's 2022 e-auction scheme. The case, filed by Bijay Poddar, accused CIL of imposing terms that were allegedly one-sided, but the Commission concluded there was no merit to warrant further investigation. Allegations at a Glance Poddar alleged that CIL's e-auction scheme required bidders to clear outstanding dues, imposed a fixed bid security with...
