How the Supreme Court Rescued a Will from Legal Limbo

Sheikh Rayees • March 26, 2025

PUBLISHED REPORT

In a ruling that breathes life into judicial discretion, the Supreme Court has clarified when and how courts can “mould” relief in civil suits—a legal mechanism that allows justice to evolve when the original relief becomes either unworkable or outdated. The case in question reads like a tangled family drama set against the backdrop of legal fine print. At its heart was a property, the so-called Plaintiff Schedule, once owned...
