Supreme Court Affirms Carpentry as a Skilled Profession

Sheikh Rayees • January 27, 2025

PUBLISHED REPORT

In a landmark decision, the Supreme Court has declared that carpentry is undeniably a skilled profession, pushing back against the classification of carpenters as unskilled workers. This ruling came while addressing an appeal to enhance motor accident compensation for a carpenter who lost his right hand in a 2014 road accident. Without formal evidence of the carpenter's income, the Court turned to the minimum wage benchmarks for skilled laborers, dismissing...
