The Future of Arbitration in India

Sheikh Rayees • October 21, 2024

PUBLISHED REPORT

At the recent ICDR Conference, Tushar Mehta, the Solicitor General of India, emphasized the importance of embracing diversity within arbitration to bolster India's role in global commerce. He articulated that diversity enriches decision-making by infusing various expertise, experiences, and cultural insights into the arbitration process. Prioritizing gender and intergenerational diversity is essential for building credibility and trust, ultimately positioning India as a truly...
