Dabur to Drop “Anti-Bacterial” Claims from Toothpaste Labels Following Regulatory Scrutiny

Sheikh Rayees • March 29, 2025

PUBLISHED REPORT

Dabur India Ltd has agreed to remove terms such as "anti-inflammatory," "anti-bacterial," and "analgesic" from the packaging of its Meswak and Herb1 Anti-Bacterial Toothpaste Tulsi by June 2025. The decision follows concerns raised by Maharashtra's Food and Drug Administration (FDA) over the legality of these claims. The Bombay High Court acknowledged Dabur's commitment to modifying the labels and disposed of the company's plea on...
