COURT OF RECORD

Delhi Court Allows Assault Prosecution to Proceed

Editorial Team • September 19, 2026

PUBLISHED REPORT

The Delhi High Court has refused to terminate proceedings against two individuals accused of assaulting a man at the Supreme Court complex and circulating footage online. The court held that a summons requires a prima facie basis, not a final determination of guilt. Questions concerning control of the relevant social-media account and attribution of electronic material must be examined through evidence at trial. It also rejected the argument that an...
