Delhi High Court Awards INR217 Crore in Landmark Patent Infringement Case

Sheikh Rayees • May 29, 2024

PUBLISHED REPORT

In a significant ruling, the Delhi High Court has awarded INR217 crore in damages for lost profits to Communication Component Antenna Inc (CCAI) in a patent infringement suit against Mobi Antenna Technologies. The court's decision is grounded in a precedent which holds that reasonable profit loss can serve as a basis for calculating damages. Justice Jyoti Singh, presiding over the case, referenced the earlier Delhi High Court decision in Strix...
