Radicalising Youth Online Isn't Just Dangerous—It's Terrorism Under UAPA

Sheikh Rayees • July 16, 2025

PUBLISHED REPORT

If you think digital radicalisation is just noise online, the Delhi High Court has a message: it's not just chatter, it's criminal—terror-level criminal. When social media becomes a weapon to fuel terror narratives, the Unlawful Activities (Prevention) Act (UAPA) isn't just applicable—it's inevitable. A bench of Justices Subramonium Prasad and Harish Vaidyanathan Shankar drew a sharp line between free speech and incitement to terrorism while rejecting bail for Arsalan...
