## Digital Docket Down

### NCLT's e-Courts to Go Dark for Maintenance Today

Sheikh Rayees • June 19, 2025

#### PUBLISHED REPORT

The National Company Law Tribunal's digital corridors are going dark—temporarily. On June 19, from 4:00 PM to 7:00 PM, the entire NCLT e-Courts ecosystem—spanning e-Filing, the Case Information System (CIS), and the Document Management System (DMS)—will be taken offline for scheduled maintenance. The notification, stemming from a June 17 alert by the National Informatics Centre (NIC), points to a technical glitch plaguing the servers that prop up NCLT...
