COURT OF RECORD

Echoes of the Vanishing Canopy

NGT Takes Stand

Sheikh Rayees • July 9, 2024

PUBLISHED REPORT

In a striking move, the National Green Tribunal (NGT) has raised alarms over the vanishing act of six million trees from farmlands across India, spotlighting Telangana and Maharashtra. This environmental whodunit sees the Tribunal demanding answers from the Ministry of Environment, Forest and Climate Change (MoEFCC) and the forest departments of Maharashtra, Telangana, and Madhya Pradesh. With Chairperson Justice Prakash Shrivastava, judicial member...
