PUBLISHED REPORT

At the heart of London International Disputes Week (LIDW) 2024, HKA and 39 Essex Chambers curated a compelling panel discussion titled 'India: Changing face of Dispute Resolution in the new economic powerhouse.' This event, held at the International Dispute Resolution Centre on June 6, 2024, brought together a distinguished panel of experts to shed light on the dynamic landscape of dispute resolution in India. A Confluence of Expertise The session...
