## Karnataka HC Says Subsidiary Can't Be Sued for US Parent's Content

Sheikh Rayees • July 25, 2025

### PUBLISHED REPORT

In a courtroom clarification that drew a hard legal line across continents, the Karnataka High Court has ruled that Google India Private Limited cannot be dragged into court for content published by its American parent, Google LLC, or its video platform YouTube. The key reason? They're separate legal animals. Justice Vijaykumar A Patil, presiding over the matter, cut through the confusion by underscoring that Google India is merely a subsidiary—registered...
