HC Orders Police, Cyber Probe Into Alleged Fake Court Orders in Jindal Family Dispute

Sheikh Rayees • June 23, 2026

PUBLISHED REPORT

The Bombay High Court has directed law enforcement authorities and the cyber cell to investigate allegations that forged court orders were created and circulated during an ongoing dispute involving members of the Jindal family. The direction came from Justice Arif S. Doctor, who described the allegations as serious enough to warrant an independent inquiry before the Court proceeds further with the case. The controversy surfaced through an interim application filed...
