High Court Decries Legal Advertisements

Calls for Clean-Up

Sheikh Rayees • July 4, 2024

PUBLISHED REPORT

In a staunch rebuke of commercialism creeping into the legal field, the Madras High Court on Wednesday commanded the Bar Council of India (BCI) to clamp down on lawyers advertising their services online. This directive extends to State bar councils, urging them to take disciplinary action against any advocate promoting their practice through ads, messages, or intermediaries. Justices SM Subramaniam and C Kumarappan, presiding over the case, emphasized that the...
