High Court Rules Egg Donor Lacks Legal Claim as Biological Mother in Surrogacy Dispute

Sheikh Rayees • August 14, 2024

PUBLISHED REPORT

In a landmark decision, the Bombay High Court has ruled that an egg donor cannot legally claim to be the biological mother of children born through surrogacy. Justice Milind N. Jadhav's ruling clarifies that while the egg donor might be a genetic contributor, she holds no parental rights under the 2005 National Guidelines for ART Clinics. The court's decision came in response to a petition from a woman seeking visitation...
