High Court's Verdict Shapes Sale of Refurbished HDDs

Unveiling Transparency in Tech Trade

Sheikh Rayees • May 23, 2024

PUBLISHED REPORT

In a landmark ruling echoing across tech markets, the Delhi High Court recently unfurled a series of directives illuminating the path for the sale of used and refurbished hard disk drives (HDDs). Under the spotlight of Seagate Technology LLC v Daichi International and associated cases, Justice Anish Dayal meticulously outlined the guidelines, steering the course of HDD trade. With precision, Justice Dayal emphasized the importance of clarity in the presentation...
