For Now: Dr. Reddy's Promises No Ozempic Sales at Home Amid Patent War

Sheikh Rayees • May 31, 2025

PUBLISHED REPORT

Dr. Reddy's Laboratories has told the Delhi High Court it won't sell its version of a blockbuster diabetes drug within India, but it's not backing off globally. In a case that pits the Indian pharma heavyweight against Danish drug giant Novo Nordisk, Dr. Reddy's offered a limited ceasefire: manufacture, yes; export, yes; but no domestic sales—at least for now. The move comes in response to a lawsuit filed by Novo...
