Kerala HC

Protecting Teachers from
Unwarranted Legal Action,
Advocates Discipline in Schools

PUBLISHED REPORT

The Kerala High Court has emphasized that a preliminary inquiry is essential before filing criminal cases against teachers for disciplinary actions taken in schools. The court underscored that educators must not be unfairly targeted and should not face arrest during this initial investigation. Justice PV Kunhikrishnan highlighted the growing challenges in classrooms, citing instances of students bringing weapons, using drugs, and even threatening teachers. He stressed that...
