Kerala High Court Pilots e-Post for Swift Legal Document Delivery

Sheikh Rayees • June 21, 2024

PUBLISHED REPORT

In an innovative move, the Kerala High Court has rolled out an e-Post service in partnership with India Post to expedite the delivery of legal documents, including court summons, notices, and orders. This pioneering initiative, currently in its trial phase in Thiruvananthapuram, is expected to expand to other districts across the state. The e-Post service introduces a hybrid method of document delivery. Advocates can utilize this service when a court...
