Kerala High Court Tightens Reins on Waste-Dumping Vehicles

Sheikh Rayees • August 13, 2024

PUBLISHED REPORT

In a significant move aimed at combating the persistent issue of waste dumping, the Kerala High Court has decreed that vehicles seized for this offense will face stringent conditions before being released. This decision underscores the growing concern over the misuse of public properties for illegal waste disposal, particularly septic waste. Justice Bechu Kurian Thomas highlighted the enduring problem of illegal waste dumping, despite existing regulations and court orders. He...
