Kollam's Digital Justice Revolution

India Unveils First 24/7 Online Court

Sheikh Rayees • November 21, 2024

PUBLISHED REPORT

In a groundbreaking move to modernize the judicial system, Kerala's Kollam district has become the epicenter of a transformative legal initiative with the launch of India's first 24/7 online court. This pioneering project, dubbed '24x7 ON Court,' is set to tackle cheque bounce cases under Section 138 of the Negotiable Instruments Act, 1881. Approved through a Kerala government notification on November 17, 2024, the Special Court of Judicial Magistrate of...
