Legal Marketplace Crackdown BCI Targets Online Platforms

Sheikh Rayees • July 9, 2024

PUBLISHED REPORT

In a recent move that has sent ripples through the legal community, the Bar Council of India (BCI) has declared a ban on the illegal solicitation of legal services by lawyers via online portals. This follows a ruling by the Madras High Court on July 3, 2024, which underscored the sanctity of the legal profession as a service rooted in the Constitution, not a commercial enterprise. The court emphasized that...
