COURT OF RECORD

Margin Glitch, Market Risk Bombay High Court Says Broker Can't Claw Back Trader's Windfall

Sheikh Rayees • January 6, 2026

PUBLISHED REPORT

The Bombay High Court has refused to let Kotak Securities reclaim profits earned by a trader after a technical glitch in its trading system briefly inflated his available margin, ruling that a broker cannot profit from its own mistake or deny gains earned through a client's trading skill and risk-taking.
