New Dawn in Telecom

Partial Rollout of 2023 Act Begins June 26

Sheikh Rayees • June 27, 2024

PUBLISHED REPORT

A transformative chapter unfolds as the Telecommunications Act of 2023 gears up for a partial debut on June 26, 2024. A government notification, dated June 21, revealed that sections 1, 2, 10 to 30, 42 to 44, 46, 47, 50 to 58, 61, and 62 are set to become operational immediately. Last December, President Droupadi Murmu greenlit the Telecommunications Act, which Parliament had ratified, marking a significant legislative milestone. This...
