Supreme Court Orders States to Act on Medical Ad Scams in 60 Days

Sheikh Rayees • March 26, 2025

PUBLISHED REPORT

More than seven decades after a law was passed to protect people from shady medical claims and miracle cures, the Supreme Court has finally dropped the gavel with urgency. On Wednesday, the Court gave States exactly two months to set up systems where people can report misleading advertisements about health products, fake remedies, and dubious treatments. The bench, led by Justices Abhay S Oka and Ujjal Bhuyan, wasn't mincing words....
