Preity Zinta Wins Initial Court Clearance to Pursue Action Against AI Deepfakes

Sheikh Rayees • June 17, 2026

PUBLISHED REPORT

Bollywood actor Preity Zinta has secured permission from the Bombay High Court to move forward with legal proceedings against Google LLC, Meta-linked platforms and several other entities over alleged AI-generated deepfake content that she says misuses her identity and damages her reputation. The Court granted Zinta leave under Clause XII of the Letters Patent, a procedural requirement that allows a case to be filed before the Bombay High Court even...
