Supreme Court Dismisses Woman's FIR Against Husband Over Alleged Marriage Deception

Sheikh Rayees • May 8, 2025

PUBLISHED REPORT

In a surprising turn of events, the Supreme Court of India has quashed a First Information Report (FIR) filed by a woman who accused her husband of misleading her about his profession and health condition. The case, involving the marriage of the woman to Rohan, hinged on her claim that he had falsely presented himself as an eye surgeon, only for her to later discover he was an optometrist. She...
