Supreme Court Gets Assurance from Election Commission on EVM Data Verification Process

Sheikh Rayees • May 8, 2025

PUBLISHED REPORT

In a significant move, the Election Commission of India (ECI) assured the Supreme Court that it would no longer delete the data from Electronic Voting Machines (EVMs) if a candidate requests a verification of vote counts or poll results. The Bench, led by Chief Justice of India Sanjiv Khanna and Justice Dipankar Datta, detailed the procedures for verifying EVMs and conducting mock polls. This clarification came in response to concerns...
