SUPREME COURT

Supreme Court Rejects 21-Year-Old Arbitration Bid, Says Law Rewards Vigilance, Not Delay

Sheikh Rayees • April 15, 2026

PUBLISHED REPORT

A dispute left untouched for over two decades cannot be revived through arbitration, the Supreme Court has ruled, setting aside proceedings initiated long after the completion of contractual work. The Court underscored that while arbitration is meant to streamline dispute resolution, it cannot be used to bypass the discipline of limitation.
