Supreme Court Reverses Haryana Panchayat Poll Result After In-House EVM Recount

Sheikh Rayees • August 16, 2025

PUBLISHED REPORT

In a dramatic legal turn, the Supreme Court of India has nullified the outcome of a 2022 Gram Panchayat election in Buana Lakhu village, Panipat, Haryana, following a direct recount of Electronic Voting Machine (EVM) votes—an exceptionally rare move for the apex court. The recount, conducted by the Court's own Registrar and fully videographed, revealed that the original runner-up, Mohit Kumar, had in fact secured 51 more votes than the...
