Supreme Court Rules on Degree Equivalence

Polymer Chemistry vs. Chemistry

Sheikh Rayees • August 7, 2024

PUBLISHED REPORT

The Supreme Court has upheld a Kerala High Court decision that a B.Sc. in Polymer Chemistry is not equivalent to a B.Sc. in Chemistry for recruitment purposes. This ruling comes in response to a case involving a recruitment notification issued by the Kerala Public Service Commission (KPSC) in 2008, which specified that candidates for the High School Teacher position in Physical Science must possess a B.Sc. in Physics, Chemistry, or...
