Supreme Court Sets Landmark Precedent for Digital Accessibility in E-Governance and Financial Services

Sheikh Rayees • May 1, 2025

PUBLISHED REPORT

In a transformative move for digital inclusivity, the Supreme Court of India has ruled that the right to digital access is an integral part of the right to life under Article 21 of the Constitution. This landmark decision, delivered on April 30, 2025, mandates that government platforms, including e-governance services and digital payment systems, must be fully accessible to persons with disabilities. The Court emphasized the importance of accessibility in...
