The Rise of Artificial Intelligence in Legal Practice

Iftikhar Hassan Samoon • July 28, 2024

PUBLISHED REPORT

Artificial Intelligence (AI) is no longer a futuristic concept confined to science fiction; it is a transformative force reshaping industries across the globe, including the legal sector. As AI technology advances, its integration into legal practice is revolutionizing how lawyers work, enhancing efficiency, accuracy, and strategic decision-making. This article delves into the multifaceted applications of AI in legal practice, with a particular focus on its impact in India. Legal...
