UK's Highest Court Draws a Hard Line on Sex in Equality Law

Sheikh Rayees • April 17, 2025

PUBLISHED REPORT

Trans Women Excluded from Legal Definition of “Woman,” Rules Supreme Court In a ruling that has sent ripples through the UK’s gender and legal landscapes, the Supreme Court has declared that the words “woman” and “sex” under the Equality Act 2010 refer strictly to biological definitions—leaving trans women outside the legal category of “woman” for the purposes of sex-based protections. Five justices, sitting at the top of the British judicial...
