Unregulated Journalism In The Digital Age

Striking A Balance Between Freedom And Accountability

Iftikhar Hassan Samoon • June 23, 2024

PUBLISHED REPORT

By Iftikhar Hassan Samoon & Sartaj Hussain Bhat In today's age, where information flows freely and instantaneously, the role of journalism as the "fourth pillar of democracy" has never been more crucial. Journalists serve as the watchdogs of society, holding governments and powerful institutions accountable while providing citizens with the information they need to make informed decisions. However, the rapid increase of unregulated journalism poses a significant threat to the...
