ValueQuest Backs Jupiter International with INR300 Crore Investment for Solar Expansion

Sheikh Rayees • July 30, 2024

PUBLISHED REPORT

In a strategic move, Jupiter International Limited has secured a substantial investment of around INR300 Crores from ValueQuest SCALE Fund and other investors. This funding, secured through primary subscription, grants the investors a minority stake in the burgeoning solar power company. The renowned law firm Khaitan & Co played a pivotal role in guiding Jupiter and its promoters through the intricate process. The advisory team was spearheaded by key members...
