When Greed Poisoned a Promise

Supreme Court Slams Dowry Culture, Cancels Bail in Wife's Death

Sheikh Rayees • November 29, 2025

PUBLISHED REPORT

The country's highest court delivered a blistering reminder of what happens when an age-old social rot seeps into a sacred bond. In a case where a young woman died barely months after her wedding, the Supreme Court tore into the continuing menace of dowry—calling it a force that mutates marriage from a vow of companionship into a cold commercial exchange.
